

Registered Dealer's Return periodicity under MVAT Act for the Financial Year 2016-17 is now displayed on MVAT website http://mahavat.gov.in

MONTHLY / QUARTERLY periodicity is prescribed for the FY 2016-17 as SIX-MONTHLY periodicity is removed by amending Rule 17 of the MVAT Rules, 2005 and accordingly from 1st April, 2016 -

#### A. every registered dealer -

- (i) whose tax liability during the previous year had exceeded rupees ten lakhs or,
- (ii) whose entitlement for refund during the previous year had exceeded rupees one crore,

shall file a monthly return within twentyone days from the end of the month to which the return relates ;

B. any other registered dealer shall file a **quarterly return** within twentyone days from the end of the quarter to which the return relates ;

Applying the principles laid down above, Commissioner may, for every year and in respect of each dealer, determine the periodicity of filing returns and the periodicity so determined shall be final and be displayed on the Department's website.

As the periodicity is determined and displayed on the website, accordingly to that, every dealer is required to file monthly / quarterly returns within 21 days from the end of the month / quarter. Please note that the additional period of 10 days to file return if full payment is made by before due date will not be available from April 2016 and thus payment and return, both, needs to be completed within 21 days from end of month / quarter to avoid interest and late fee respectively and penalty.

Similarly, the Government has modified the return filing procedure requiring more details in the pre-defined formats while filing the return. Every dealer should go through the same in details so that proper details required for the return can be prepared and return can be uploaded within prescribed time.
